Beautifully remodeled throughout, this Cedar Mill home boasts a distinctive and spacious open floor plan. Large windows and skylights fill the home with natural light. The house features many amenities including a remodeled kitchen, remodeled bathrooms, wood floors throughout the main level, wainscoting in the dining room, a gas fireplace in the family room and vaulted ceilings in the living room with an open rail to the upstairs loft. The master suite is on the main level adjacent to another main level bedroom with a full bathroom nearby. Fully remodeled, the spacious master bathroom features a large tiled shower, a separate soaking tub and a granite counter double vanity. Upstairs boasts a large open loft, two additional bedrooms and a spacious bathroom. The outdoor living space provides a place to relax with an inviting deck and a serene water feature. This home is perfectly located near Nike and with easy access to Highway 26 and downtown Portland.
